

ATTENDING CLASS IN PERSON WITH FLEX@PITT

In the Elevated Risk and Guarded Risk operational postures, some classes include in-person experiences. Even when the instructor has elected to be remote, students may choose to engage in person within their assigned classroom if their course type (lecture, seminar, or recitation) allows for it. With Flex@Pitt, the option to remain fully remote still applies as well.

CAN I ATTEND MY CLASS IN PERSON?

Check PS Mobile/HighPoint CX.

1. Is it a lecture, seminar, or recitation?
(As opposed to a lab, clinical, internship, etc.)

2. Is there a classroom assigned?

3. Is it a full cohort class?

Web-based classes do not have a physical classroom, so the option is not available to attend class in person.

* If your class is a rotated cohort, check with your instructor to determine which days you can attend in person.
